Description

The charm operates immediately when we see this splendid blue-grey silk toile coupon printed with bouquets of flowers, some of which are wrapped in the spirit of the 18th century. The bouquets are arranged between soft flower garlands. It comes from the famous and luxurious Lyon manufacture Tassinari & Chatel, whose label it bears. The richness of its pattern and its polychromy will elegantly dress convertibles, small chairs, cushions or any other work according to your desires or your needs... Note that the printing work is truly exceptional because the light decor relief seems to have been painted by hand and goes all the way to the edge of the fabric (see photos), making the edge very barely visible. Magnificent colors... Dimensions: Height: 210 cm by 130 cm wide Very good condition.
