Description

Large skyscraper/building shaped table lamp from the Art Deco period circa 1930 in satin molded-pressed glass. Decorated with steps on several levels and with complex geometry, it rests on its frame also with steps in metal with a silver patina. You will particularly appreciate the beautiful opposition of the matte satin glass and the transparent glossy glass which finishes each side of the lamp, further accentuating the building shape of the lamp. The electricity works perfectly. The original socket is bayonet. Dimensions: Height: 34 cm circumference: 84 cm Weight 2, 250 kg Very good condition, entirely original, tiny marks of age. Cleaned, it is ready to be installed for the most beautiful lighting effect! Please note that I respond to any request about my items. If you do not receive any response
