

Graphometer-eclimeter, Early 19th Century

500 EUR

Signature : inconnu

Period : 19th century

Condition : Bon état

Material : Brass

Description

Rare form of graphometer-eclimeter constructed in brass, French and dating from the beginning of the 19th century, mounted on a foot with a double rotating rod. The instrument is not signed but bears in ink on its alidade the words "graphometer". This original instrument can be used as a graphometer or eclimeter. Original construction, certainly unique.
