Description

Here is an oil on wooden panel by Chevalier, it is a Barbizonian scene created on a wooden panel. You will notice a nice work in the sky, in the vegetation, a beautiful rendering. Everything is from 1878, therefore Napoleon III period. I think it is Henri Chevalier (1808-1893). The frame is made of natural wood, it goes perfectly with the work. It is in acceptable condition, note small traces of wear and friction, a blackened corner. The work has not been cleaned or restored. We report some traces of wear and friction, scratches. For the condition, please detail the photos. The photos are an integral part of the description.
