### Description

Here is a chic 1940s chandelier. In fact, it has six lights with the original brass glasses, in the middle we find a frosted glass plate with floral decoration, two glass rods which are placed in the middle of the chandelier, two shells on each side. Please note this chandelier is sold uncleaned, unrestored, unelectrified, with several defects: 1 shell at one end to be reattached, to be restored, 3 shells under the lights to be reattached, to be restored, Micro-scratches on the glass, friction and wear on the green patina. The important thing is that the glass elements are not damaged. It weighs a lot, it is typical 40, it will be perfect for a decorator, a reseller, an informed individual. For the condition, please detail the photos. Feel free to zoom in. The photos are an integral part of the description. Dimensions: Height: 53 cm
