Description
-------------

Exuding elegance, these exquisite earrings feature stunning green agate and blue amazonite stones, delicately adorned with sparkling 0.14 carat diamonds. At a generous length of 4.5 cm, they fall gracefully from the ears, captivating attention with their timeless look. Crafted with meticulous attention to detail, the 18k gold holder guarantees both security and supreme comfort, with a combination of a strong stud and secure clip for maximum stability. Enhance any ensemble with these enchanting treasures, the true embodiment of sophistication and refinement.
