18k Gold Drop Earrings With Jade Stone

720 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Length : 3.5

Description

Immerse yourself in a world of luxury with these resplendent drop earrings, where shimmering jade stones dangle elegantly from an elaborate frame fashioned in 18k gold. Sourced from the lush green landscapes of Malaysia, jade exudes a captivating richness, with each stone a testament to the splendor of nature. Secured at the back with a meticulously crafted gold hook, these earrings offer both security and comfort, allowing you to adorn yourself with confidence. Measuring 3.5cm in length, these earrings gracefully elongate the neckline, giving each movement an aura of refined elegance and timeless sophistication.
