Description

In carved, polychromed and gilded wood our two angels are kneeling on the Cloud, symbol of His presence. They elegantly support a crowned canopy topped with a cross from which descends a delicate drape in the colors of the Passion and the Virgin. Our two majestic angels were undoubtedly watching over a tabernacle. A work from the 18th century. Restored by our workshop, polychromy, gilding with gold leaf and repair of the wings. Excellent condition. Dimensions of 103 cm high by 75 cm wide and 25 deep.
