Description

2-body sideboard from the early 19th century in solid oak, Northern France, Flanders. Display unit, the upper part equipped with 3 shelves with scrolled edges, 2 glass doors with small scrolled wood, the lower part with 2 solid doors topped with a sliding pull. Beautiful arched cornice. Currently the windows are missing, we can order and install them. It is also possible to install a fine mesh. A choice. This piece of furniture is in very good general condition and free from restoration, beautiful fairly light oak with little gold. - Visible in our Lille gallery over 400 m2: furniture, seats, mirrors, paintings, sculptures, clocks, lighting, curiosities... Open afternoons from Wednesday to Friday or by appointment - Delivery all distances and international / Consult us
