Pair Of Candelabra In Chiseled And Gilded Bronze

2 200 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 27

Diameter : 15

Height : 50

Description

Very beautiful pair of chiseled and gilded bronze candelabra.
Fluted barrel with ears of wheat, base with rows of pearls and palmettes. Candelabra with four leafy arms of light from which the central bobeche can be removed. (A screw thread on the central bobeche fixes poorly.)
Mid 19th Century.
High 50 cm
