Description

Here is a pretty animal sculpture representing a tiger, it bears the signature "Rousseau". It has a double patina, a red Languedoc marble base. We would like to point out, for those who are more picky, classic traces of wear on the bronze, slight oxidation on the legs, small chips on the corners of the marble. Everything can however be considered in a good state of conservation. Our photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Feel free to zoom in. The photos are an integral part of the description. Dimensions: Height: 16 cm Width: 24.5 cm Depth: 10 cm Base height: 2.2 cm E: M3313
