Description

Here is a chandelier from the 50s and 60s with a gold metal structure. It has six lights which can be removed, these are frosted glass cups enhanced with gilding. The chandelier is sold unprepared, unrestored, we report an accident with a crack on one of the cuts. The electricity is old, so needs to be reviewed for safety reasons. Our photos allow you to appreciate the quality of the object. For the condition, please detail the photos. Feel free to zoom in. The photos are an integral part of the description.
