Description

Oil painting on canvas from the 18th century
Flemish School Represents a burned building in a
Flemish town, we can see firefighters rescuing
the trapped inhabitants in front of a crowd
gathered around the fire. The chiaroscuro work is
mastered, and adds to the drama of the scene. The
composition crushes the people represented at the
bottom of the painting while the contrasting
flames and night dominate most of the
composition. The painting has been re-canvased,
the pictorial surface has some cracks. Dimensions
78 x 62 x 5 cm with the frame 60 x 45 cm without
the frame Modern 20th century frame (free with
the painting)
