Diameter : 15,2 centimètres pour le chapeau et 13 centimètres pour la base du pied

Height : 40,3 centimètres

Description

A patinated wrought iron lamp...

Which is nicely worked...

The leaves are hammered...

And molded pressed blown glass tulip..

With shiny polished parts...

Signed by DEGUÉ - FRANCE...

Years 1920...

In good condition, some oxidation due to time (on the foot) and tiny scratches on the rim of the hat...

(this is to point out something which for me is nevertheless insignificant)...

Complete lamps from these years are quite rare overall...!

The brass socket has a bayonet...

Wires and switch in good condition, original...

Weight... 1 kilo 674 gr
