

Series Of 4 Polished Wrought Iron Armchairs From The 1940s

1 000 EUR

Period : 20th century

Condition : Etat d'usage

Material : Wrought iron

Width : 53 cm

Height : 99 cm

Depth : 44 cm

Description

This series of four original garden armchairs can very well find its place indoors around a table. The trapezoidal backrest is furnished with a decoration simulating a column flanked by two stocks. The sheep bone armrests extend into a rear console. The trapezoidal seat fitted with an upholstered pad is supported by four legs ending in a winding and connected together by hoops. ? The skâ seat pads need to be changed, two of them at least.
