Description

Magnificent large chandelier with irises in bronze, brass and sheet metal illuminating 5 lights. Decorator work from the 40s and 50s for a beautiful home. The iris stems are connected together by a ribbon at the bottom from which the leafy stems emerge, iris in bud and open iris protecting the bulbs. The central stem is animated and has a corole of patinated brass in the upper part. The irises of the bulbs are made of sheet metal or patinated brass offering a very nice contrast in tone. The sockets are B22 bayonet, the electricity works. This chandelier is presented to you in its home condition, altered gilding, greenish stains in certain places on the brass. Ultra decorative chandelier out of the ordinary. Period around 1940-1950. Delivery in wooden crate on pallet by carrier in the DRC to your
