

Louis XVI Period Console

4 600 EUR

Period: 18th century

Condition : Restauré par notre atelier

Material: Mahogany

Length: 1,10m Height: 0,88m Depth: 0,42m

Description

Half-moon console in Louis XVI mahogany from the 18th century. This elegant console has a large drawer on the front and two small side storage doors which makes this model original. The top is in marble, the four legs are joined by a spacer shelf in the lower part. This piece of furniture has been completely restored and varnished with a buffer. Dimensions: 1.10m in length, 0.42m in depth and 0.88m in height. Delivery on estimate.
