Description

Louis XV-Louis XVI Transition style planter console in carved wood and painted gray with original blue highlights. It is a wall console to be fixed to the wall supported by two arched legs with snail hooves wrapping in acanthus leaves under the band in stripes of hearts and asparagus tips at the cushioning. In the center, a Louis XVI knot in passementerie style. Inside, a zinc tray to accommodate plants. We offer this piece of furniture to you in its found condition, original paint well chipped and patinated, zinc tray repaired and holed in one place. In short, it is a planter console in its own right for a natural and authentic decoration. 19th century period. Delivery by carrier 150 euros in France, 300 euros in the EU and 600 euros rest of the world
