Description

Superb and rare Louis XVI period mirror in gilded wood, heart stripe pattern and pearls. Very pretty patina and old wear! Mercury ice cream with traces of oxidation which gives it all its visual charm! Very decorative and functional with its size of 82x70 cm in total (69x58 cm for the ice cream) in good condition with some small wear and slight small losses in one corner due to time spent. Very good quality gilding! Splendid mirror!
