380 EUR

Signature : Signé Lancel Paris

Period : 20th century

Condition : Très bon état

Material : Ceramic

Diameter : maxi. 20 cm

Height : 34,5 cm

Description
-------------

Important ceramic baluster vase with a white background decorated in shaded yellow or brown ochre in imitation of marble, seen against the light the metallic reflections perfectly reproduce the veined surface of polished marble.

The frustoconical shaped body rests on a hemmed base forming a small heel from which rises the body of the object which flares out to the shoulder and narrows strongly to form a small flared collar hemmed with a generous lip reminiscent of the base. The item is in excellent condition with no imperfections.
