Description

Triangular Empire Centerpiece with Caryatids - Bronze, Gilt Bronze, and Cut Crystal
Dimensions: 68 cm high x 30 cm diameter
This magnificent triangular Empire centerpiece is an exceptional example of early 19th-century craftsmanship, combining bronze, gilt bronze, and fine cut crystal. Designed in the Neoclassical style, it features three elegant caryatids--female figures in flowing classical robes--supporting the exquisite cut crystal bowl. The harmonious balance of materials and decorative elements makes this an outstanding representation of Empire-era luxury.
