Description

German Classic Biedermeier Wingback Armchair in Cherry Wood with Footstool, 1860sThis object features a clean-lined, rigorous structure.Its slender frame is distinguished by tall, elegant saber legs, accentuated by diamond motifs and a linear stringing inlay along the front rail. The feet of the saber legs are finished in black ebonized wood, which subtly highlights their form.The wooden armrests terminate in a volute (scroll) detail.The chair includes a loose seat cushion with a height of 12 cm.It has been professionally reupholstered using traditional, high-quality techniques and is covered in pure black new wool.The wooden surfaces are polished with shellac, resulting in a soft, matte-silk sheen.A small footstool adds an extra level of comfort to the ensemble.Dimensions of stool: L 45cm x D
