

Wicker Basket And Flowers

750 EUR

Signature : A définir

Period : 20th century

Condition : Bon état

Material : Oil painting on cardboard

Length : 60x40

Description

Magnificent painting representing a rattan basket and bouquet of open flowers. Superb colors and generous dough! A great pictorial technique! Probably from a good painter's hand! View the quality rendered on this oil on thick cardboard. (border of damaged cardboard to be cut) nothing serious. Format of 60x40 cm. In its original old patina, uncleaned. Visually very nice and very decorative! Without frame! Do not miss !
