### Description

Follower of David II Teniers (Antwerp, 1610 - Brussels, 1690) Work late 17th or 18th century  
Graphite Sheet size: 32.5 x 44 cm Dimension with frame: 53.5 x 66 cm The authorship of the design of this painting could be given without a doubt David II Teniers. Since the engraving of this drawing was made in 1743 by Jacques-Philippe le Bas (Paris, 1707 - Paris, 1783), engraver and publisher who gave the creation to Teniers. We recognize the typical heads of Teniers on this work. The reception of Teniers' work was significant during his lifetime, he influenced and inspired many generations after him. It is therefore probably the work of a follower. But the finesse of the realization brings us closer
