Description

One-light Marine pendant light with a bronze and brass frame on which an opaque glass globe rests.
On the wood, we note the presence of a small bronze plaque with the inscription "Louisiana".
It is in the spirit of old kerosene lamps and the wheel on the side which turns serves as a dimmer which allows you to increase or decrease the brightness.
20th century work.
All our lighting fixtures are completely restored by our workshop, both in terms of the structure and the electricity and are therefore in perfect presentation and operating condition.
Bulbs to use : Large screw bases, type E27.

Possibility of collection on site, or contact us for a possible shipment.
