Description

Large photograph by Montreal artist Marc Montplaisir of the sculpture "The illuminated crowd" This sculpture by Raymond Mason has been exhibited since 1986 in front of the Laurentian bank in Montreal. It testifies to the fragility of the human species. Marc Montplaisir has been a professional photographer for more than a quarter of a century, recognized worldwide for his advertising work and for the quality of his portraits. He regularly uses the wet collodion process. This print, n°1/30, was made using the Platinum Palladium process. Very good condition.
