Description

A teapot a little bigger than an egoist...

In enameled porcelain with repainting...

And thick enamels...

In perfect condition...

From JAPAN...

Has a signature under the lid, without knowing who knows...

The handle is made of curved steel...

With two small pieces of bamboo all sheathed with plastic wire...

Inside there is the sieve to keep the leaves inside... From the 1960s...

FYI there is a small protection on the neck that I removed in some photos...

Weight... 340 gr
