

Collectible Cane Entirely On The Theme Of The Snake (cobra)

2 800 EUR

Period : 19th century

Condition : Bon état

Material : Other

Length : 95 cm

Description

Antique cane entirely based on the theme of the snake, with a worked silver handle representing a Cobra.

The shaft made of vertebrae and the ferrule, also in worked silver, engraved as a continuation of the snake's spine.

Note: prestige order cane, absolutely not usable as a cane.

Dimension: length of 95 cm.

Circa end of XIXth century.
