Description

Superb large vase "French glass" amourettes decoration, by Charles Schneider. Typical of the art-deco period, this large, slender vase shines with its elegant shape on a pedestal and its bright colors. Decorated with very stylized love affairs, orange on a bright yellow background, the room is very bright. Schneider will remain as the magician of colors. Clearly referenced decor, perfect condition, 53 cm high, signed at the base. Very beautiful large art-deco piece, perfect!
