## Pierre Labrouche : "bridge In Venice"

750 EUR

Period : 20th century

Condition : Bon état

Material : Oil painting

### Description

Pierre LABROUCHE (1876-1956): "Bridge in Venice", oil on canvas 61 x 58 cm, mounted in a white rechampi frame 76 x 76 cm. Comes from the famous collection of the Galerie Imberti in Bordeaux, of which it has a certificate stuck on the back. Labrouche's characteristic little touch admirably serves the movement of the water and the mineral texture of the facades in a deliberately off-center composition. Do not hesitate to ask us for photos or additional information by email or telephone. In partnership with Galerie Lafouresse, we are specialists in paintings on the Basque Country, the Landes and the Arcachon Basin. Other photos and many other objects in our stores in Pau and Biarritz and on our site: [galerielhoste.com](http://galerielhoste.com).
