Treat yourself to a little piece of the Queen's world at Fontainebleau! Exceptional coupon of incredibly rich glossy percale reproducing the fabric of his room (see last photo). You will be charmed by this cotton printed with garlands of multicolored flowers and these palm leaves forming reserves framing rural musical instruments, an open cage held by a large ribbon bow and the little bird, ancient ruins and a flowered basket, a partridge with her little ones. Sublime polychromy, the colors remain intense. The label indicates the fabric references, its material as well as the name of the decor "Fontainebleau".

Original label from the publisher, perhaps Maison Houllès, without certainty. Dimensions: 210 cm
