Pair Of Paris Porcelain Vases, 19th Century

1 800 EUR

Period : 19th century

Condition : Parfait état

Material : Porcelain

Diameter : 17 cm

Height : 25 cm

Description

While heritage is still a young concept, the second half of the 19th century immersed itself in it and attached itself to images of a fantasized past. On this pair of vases, gray landscape scenes on a soft green background are inhabited by imposing medieval fortresses responding to this craze for the Middle Ages in particular. These vases in perfect condition bear the Paris porcelain mark under their base.
