Description

Magnificent pair of Art Nouveau wall lights circa 1900, decorated with gold powdered glass bindweed. The support is in gold painted metal and the glass of the leaves contains gold pigments.... 5 points of light per wall light, we redid the electricity and re-followed all the ligatures, many hours of work went into it. was necessary to restore these two wall lights. We have equipped them with LED bulbs to prevent them from consuming and, above all, from heating up... These wall lights are extremely decorative and rare, they date from the 1900s/1920s. Two fixing points allow them to be hung securely on the wall... Given the fragility, no shipping on this object only personal delivery.
