Condition : Bon état

Material : Bronze

Length : verrerie longueur : 16 cm.

Width : 26 cm.

Height : 34 cm.

Description

I offer you this beautiful pair of wall lights whose electricity was redone by the previous owner. He also gave the bronze parts to be polished. This allows this shine to be retained for many years. The glassware is a little different from one wall light to another, particularly the size of the streaks towards the tip.
