Historical Miniature, King Frederik VI Of Denmark, Ally Of Napoleon, 1810

320 EUR

Signature : anonyme

Period : 19th century

Condition : Etat d'usage

Material : Gouache

Width : 10,6cm

Height : 13,5cm

Description

Rare, this period portrait, in its period frame and some annotations from beyond.

Miniature, looked at with magnifying glass, is surprising (a stunning mastery of blonde hair).

Gouache Painted on fine laid paper, the King, left profile, with such an atypical face is in full uniform, king of Denmark and Norway, circa 1810.

golden background enhances its colors through transparency, frame is made from wood, gilded brass border typical of its time is studded on, glass appears to have been cut with an axe, handwritten writing under paper, and also on the back of resinous wood. Circa 1810, anonymous portrait....

Dimensions: 13.5cm x 10.6cm. Condition:

original, some small stains....
