Antique Lombard / Venetian painting from 17th century. Artwork oil on canvas depicting a portrait, a grotesque character in a tavern with a glass of excellent pictorial quality. Painting of good size and proportion adorned with a non-coeval wooden frame, pleasantly sculpted, with some small signs of aging (see photo). Painting of great character, note the hand of the character clearly inspired by Caravaggio and the excellent transparency of the glass, a work for antique dealers, interior decorators and collectors of high-epoch Italian painting. Painting that has undergone a conservative restoration, relining, replacement of the frame and color recovery in some points (see photo). Overall in good condition with some small signs of aging.
