Description

Pair of sculptures representing two bulldogs facing each other on a wooden base in art deco style from the 50s and 60s. Very interesting pair, perhaps bookends or to be positioned as decorative sculptures. Beautiful contrast of the metal with its beautiful patina with the tuya burl base. Rare subject and amusing pieces due to their subject and the attitude of the animals. Collectibles. Possibility of sending in France and throughout the world by secure and insured package. Invoice and certificate provided.
