### Description

Garter ring in 750/°° white gold (eagle's head hallmark) adorned with five brilliant-cut diamonds very slightly degraded in size... These diamonds are grain-set on a base with a pretty oval shape which harmoniously follows the curve of the finger. Its profile is chiselled with arabesques which give this ring, although contemporary, an ancient aesthetic. This garter is sufficient in itself to be worn alone but its format also allows it to be associated and combined with other rings.... Total weight of diamonds estimated at 0.80 carats. Gross weight: 4.78 g Finger size: 54 - can be modified at your convenience by our workshop, free resizing (current diameter 1.70 cm / US size 7) Condition: slight micro-scratches on the body of the ring , slight lack of rhodium plating which can be rectified by our workshop
