Description

These round 18-carat gold earrings are a true expression of delicacy and refinement. Each loop, weighing 0.3g, is shaped like an openwork half-sphere, allowing light to gracefully reflect through their delicate patterns. With a diameter of 0.6cm, these earrings offer a discreet yet elegant presence, perfect for any occasion. Their openwork design creates a captivating play of light, adding an extra dimension to their beauty. Ideal for those looking for a piece of jewelry that is both subtle and sophisticated, these 18-carat gold earrings are a marvel of elegance and finesse, perfect for adding a touch of sparkle to your everyday life or to enhance a special outfit .
