Description

An undamaged arrival at the port for this pretty boat, schooner, 4-masted sailboat, preceded by a valiant tugboat, in its old blown glass bottle. French popular art work from the last quarter of the 19th century.

Patience and precision in the labyrinth of "ropes" separated by small blue glass beads. French flag, slightly discolored, probably by the sea spray!... The tugboat's chimney and the smoke escaping from it seem to be represented by the end of a paintbrush...

Old bottle, in blown glass, with "bubbles" and "streaks", and the "drop" in the hollow of the deep base.

Very good condition. Length = 32 cm, diameter = 8.5 cm Weight 785 grams.
