

Fashion Pendant In 18k Gold

220 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Length : 2

Width : 1.1

Description

This fashionable 18k gold pendant is an elegant and contemporary addition to any jewelry collection. Weighing 1.9g, it is both lightweight and luxurious, offering a delicate yet distinct presence. Measuring 2 cm in length and 1.1 cm in width, it has a compact and refined design. The pendant is beautifully set with four prongs, adding a touch of sophistication and security to the central stone, showcasing its natural luster. The prongs also provide added durability and stability, ensuring the pendant stays in place and sparkles with every movement. This piece of jewelry is perfect for those looking to add a touch of understated glamor to their everyday outfit or to enhance an evening outfit.
