Description

This chunky 18-carat gold link bracelet is a remarkable piece of jewelry that combines both elegance and robustness. Weighing 7.5g, it offers substantial presence without being too heavy, ensuring comfortable wear throughout the day. With a length of 18 cm and a width of 0.7 cm, this bracelet is perfectly sized to fit elegantly on your wrist. The chunky mesh design adds a touch of sophistication and modernity, making this bracelet versatile for different occasions, whether for everyday wear or for special events. The secure hook ensures the bracelet stays in place, providing added peace of mind. A maker's mark is affixed to the bracelet, certifying the purity of the 750 thousandths gold and the authenticity of the piece. This guarantee of quality ensures that you own a precious and durable piece of jewelry.
