Description

A goblet glass...
In molded blown crystal and cut friezes...
Certainly the glass of a night servant...
In relatively good condition, with a slight veil in the transparency...
Small chips from use under the part of the friezes...
And scratches from use...
All these defects are not serious...
It has a very thick, heavy base...!
From the CREUSOT crystal factory...
From the end of the 18th century...
Weight... 268 gr
