Description

Mahogany Display Cabinet with Neoclassical Bronze Elements: Late 19th Century
Size: 161cm x 144cm x 38cm
This mahogany display cabinet, dating back to the late 19th century, exudes timeless elegance. Here are the details:
Classic Design:The cabinet features four doors, each with a glass panel. One of the doors is missing its glass, but restoration is feasible.
Bronze Decorations: The four supporting pillars are adorned with bronze elements in a neoclassical style. Female feet and heads with breasts add a touch of sophistication.
Top: The upper part boasts a marble top, albeit with some defects. With a bit of restoration, it will regain its original splendor.
We also offer transportation assistance.
