

## 18th Century Earthenware Gourd From Nevers

280 EUR

Period : 18th century

Condition : Bon état

Material : Earthenware

Height : 20 cm

### Description

Elegant Nevers earthenware gourd from the 18th century. It rests on a pedestal, pot-bellied and ending in a long collar. The set has 4 small handles (one of which is repaired) and is decorated with patterns in the very recognizable colors of the Nivernais pattern. Quality work with soft colors in good condition.
