

Necklace In Yellow Silver Adorned With A Raw Pearl

440 EUR

Period : 20th century

Condition : Parfait état

Material : Sterling silver

Length : 43.5

Width : 0.9

Description

This yellow silver necklace, mounted on a doubled wire, is a piece of timeless elegance. In the center, a raw pearly pearl illuminates the necklace and enhances your face with its natural glow. The adjustable strap at the back, formed by a circle and a bar, ensures comfortable and secure wearing. The silver, certified 925 thousandths, guarantees the quality and durability of the necklace. Weighing 72.6g, it measures 43.5cm in length. The silver part has a width of 0.9 cm, while the cultured pearl measures 1.6 cm in diameter. This sophisticated and refined necklace is perfect for adding a touch of luxury to your jewelry collection, ideal for all occasions.
