Description

Large presentation or especially table bowl in porcelain on a finely chiseled bronze mount. The central motif represents children playing bowling, it is framed by a blue and gold cartouche. The background color is very original because it is a matte black which accentuates the brilliance of the colors used for the central scene. The porcelain is set on a gilded bronze setting patinated by time. No apparent signature. A very decorative and nicely sized piece. Length 36.5 cm Width 25.5 cm Height 16.5 cm
