

Bookends In Olive Wood And Marquetry From Sorrento, Italy.

150 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Length : 29 cm

Depth : 11 cm

Description

Although marked with a "Luchon" on its tray, it is indeed an artisanal work from Sorrento in Italy.

The artisans who made these items put the name you wanted and then resold them as a souvenir of the city where your business was located. Each flap of this bookend or mini bookcase is decorated with a black macaron and finely crafted marquetry: on one side, a peasant woman and on the other a man.
