Description

COD 10900

Large Italian landscape from the 18th century. Oil on canvas artwork depicting landscape with architecture and farmers of good pictorial quality. Painting adorned with an antique Louis XVI frame, carved and gilded, of beautiful quality and decoration. Antique frame that has undergone a structural restoration, with modification of the rear load-bearing structure, replaced during the 20th century. Great decorative painting, ideal to place in an important living room or study, for antique dealers and interior designers. Work that develops horizontally with a view of pleasant depth. Canvas that has undergone conservative restoration, backed again, replacement of the frame and color recovery in some places (see photo). In beautiful patina, overall in good state
