Description

This solid cherry wood table from the Rennaise region has the particularity of being able to extend to double its capacity, i.e. 12 to 14 place settings, thanks to two sliding solid cherry wood tops. Each extension has two notches on the reverse for easy handling and is held open by a folding support leg. The top is made up of four well-joined boards, without composite filling element, with end caps. This table offers two small belt drawers with turned wooden knobs. The whole rests on four curved legs ending in crowbars. This table, which will please for the warmth of its essence and its extensions of the same wood, will bring together your family or friends for unforgettable moments. ******** Period: Mid-19th Century Excellent condition. Waxed finish. Additional photos available by
